

Spectacular Finca Rústica with fantastic views of the mountains in Artá. In the middle of the Mediterranean nature only two and a half kilometers from the village, where you will find all services such as supermarkets, bakers, shops, bars, restaurants, pharmacies, banks and doctors. The finca has been built with high quality materials in Mediterranean style and has all the amenities. The house with a lot of character and beautiful decoration consists of a living room with SAT TV and fireplace for the cold winters, a large fully equipped kitchen with dining area, a storage room, three double bedrooms and three bathrooms, two of which are en suite. Outside there is a covered terrace with barbecue area, which provides the necessary shade in the summer. A private pool is available on the hot days to cool off and the surrounding sun terrace for drying and tanning. The large, well-tended garden with lawns offers children a play meadow, while you can selfservice at the fruit trees around the lawn. The nearest sandy beaches and bays are only 10 km from the finca. For golfers, the north-east of the island offers a variety of golf courses in Capdepera, Canyamel, Costa de los Pinos and Son Servera. In the picturesque village of Artá, there is a market every Tuesday where you can purchase fresh food and other products from local producers.
